Manifest visits HITN's Studios

HITN was proud to welcome the NBC hit Freshman series, *Manifest* to our studios. The series was shooting an episode nearby HITN studios and took advantage of our renovated space to welcome the crew and cast as they took a break from the frigid conditions outside. Their visit marks the first time a network television show has utilized the HITN studios.

In addition to keeping the cast and crew warm during breaks in the production, the cast and crew were able to relax with a little food and receive a touch up from their make-up artist. The cast and crew of *Manifest* were so pleased with the facility; they informed us they would return when they are shooting new episodes in 2019.
