"The Stand-In" Film Crew Visits HITN Studios

On February 11, 2019, HITN was pleased to house the upcoming film production "The Stand-In" to our studios this week in the Brooklyn Navy Yard.

"The Stand-In", starring Drew Barrymore, was filming right outside our building and when the production took a break, the cast and crew were able to enjoy our studios with coffee, lunch and makeup retouching before they headed out to complete filming.

"The Stand-In" marks the first time a film production has used HITN's facilities to assist in their shoot, and as more projects come to the Navy Yard, HITN will continue to take part in various productions in our recently renovated space. To arrange a tour of our studio for rental purposes, please contact Eric Turpin, General Manager of HITN TV at (646) 731-3708.
