## **City & State NY selects Michael D. Nieves for The Responsible 100 Awards**

City & State is a long-standing institution in New York City recognizing the work of leaders across industries. Each year they shine a light on socially responsible leaders in New York with The Responsible 100 Awards. The annual awards ceremony honors an elite group of 100 New Yorkers who are setting new standards of excellence, dedication and leadership in improving their communities and making transformative change.

This year, they selected 100 New Yorkers from 10 sectors who embody one or more of the core principles of corporate social responsibility: charity, diversity, environment and sustainability, equity, ethics, privacy, sourcing, transparency, volunteerism and community engagement.

Michael D. Nieves, President & CEO of HITN was selected for his service in education, and we are proud to celebrate this achievement. His work is highlighted among outstanding leaders as well as socially responsible executives, visionaries and influencers.

Congratulations to all of this year's honorees, and thank you for your dedication to improving our society!
