REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of

Hispanic Information and Telecommunications Network, Inc. and Subsidiaries:

Report on the financial statements

We have audited the accompanying consolidated financial statements of the Hispanic Information and Telecommunications Network, Inc. and Subsidiaries (collectively, the “Company”), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Hispanic Information and Telecommunications Network, Inc. and Subsidiaries as of December 31, 2016 and 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other matters

Supplementary information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations (CFR) Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other reporting required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report, dated June 22, 2017, on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

1. NATURE OF ORGANIZATION

Hispanic Information and Telecommunications Network, Inc. (“HITN”) was organized as a not-for-profit foundation under the laws of the State of New York in 1981. Its purpose is to promote educational and cultural programs and broadcasting for the Hispanic community.

HITN serves as the sole member of the following two limited liability companies which have been consolidated in these financial statements:

HITN-Puerto Rico, LLC (formed June 13, 2006)

CW Wireless Investment, LLC (formed August 1, 2005)

Each of the above entities is a Delaware limited liability company. HITN-Puerto Rico, LLC was formed to hold a particular Educational Broadband Service (“EBS”) license and CW Wireless Investment, LLC was formed to hold certain shares of the stock of Clearwire Corporation acquired by HITN, as well as certain liabilities of HITN to Clearwire Corporation. All of these limited liability companies are disregarded entities for federal income tax purposes.

Additionally, HITN serves as the sole member of HITN Spectrum, LLC (formed November 24, 2004). HITN Spectrum, LLC was formed to acquire and hold additional EBS licenses. Currently, it also serves as the sole member and manager of nine limited liability companies. As HITN is not deemed to control HITN Spectrum LLC or the nine limited liability companies, they are not included in the accompanying consolidated financial statements (Note 8). These limited liability companies are also disregarded entities for federal income tax purposes.

HITN’s primary sources of support comes from revenue associated with agreements with third parties granting them access to use the commercial capacity on the EBS spectrum (called “Individual Use Agreements” or “IUAs” by the parties), grants to support its programs, fees from television cable operators and investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Hispanic Information Telecommunications Network, Inc. and its Subsidiaries (collectively, the “Company” or “HITN”) prepares its consolidated financial statements using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). Accordingly, intercompany transactions, if any, are eliminated in consolidation.

The Company’s net assets, revenues, expenses, gains and losses are classified based upon the existence or absence of donor-imposed restrictions as follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions and can be expended for any purpose in performing the primary objectives of the Company.

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

Temporarily Restricted - Net assets subject to donor-imposed restrictions that will be met either by actions of the Company or the passage of time. As restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of activities as net assets released from restrictions.

Permanently Restricted - Net assets subject to donor-imposed restrictions requiring that the corpus be maintained in perpetuity. Generally, the Company would be permitted to expend all or part of the income derived from such contributions.

At December 31, 2016 and 2015, the Company did not have any temporarily restricted or permanently restricted net assets.

Use of Estimates

The preparation of consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include investments in highly liquid instruments with original maturities of three months or less at the date of acquisition.

Concentrations of Credit Risk

Cash and cash equivalents are exposed to various risks, such as interest rate, market and credit. The Company maintains its cash and cash equivalents in various bank deposit accounts with high credit quality financial institutions that, at times, may exceed federally insured limits; however, the Company does not anticipate any losses resulting from amounts exceeding insured limits. The Company regularly evaluates its depository arrangements, including performance thereof.

Grant and Contract Revenue

Revenues from government grants and contracts are recognized in the period when expenditures have been incurred or services have been performed in compliance with the respective contracts. Amounts received in advance are reported as deferred revenues.

Government grants and contracts under third-party payor agreements are subject to examination and contractual adjustment, and amounts realizable may change due to periodic changes in the regulatory environment. Provisions for estimated settlements are provided in the period the related services are rendered. Differences between the amounts provided and subsequent settlements are recorded in operations in the period of settlement. No provision for any disallowance or settlement is reflected in the consolidated financial statements as it is management's opinion that any potential disallowances will not have a material effect on the accompanying consolidated financial statements.

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

Contributions

Contributions, both cash and in-kind, are recorded in the period received as unrestricted, temporarily restricted or permanently restricted revenue depending upon the existence or absence of donor-imposed stipulations. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support. Conditional promises to give are not included in support until the conditions are substantially met.

Contributions to be received after one year are discounted at an appropriate discount rate. Amortization of the discount is recorded as additional contribution revenue in accordance with donor imposed restrictions, if any.

Allowance for Doubtful Accounts

The carrying value of grants receivable, accounts receivable, airtime access receivables and other receivables are reduced by an appropriate allowance for uncollectible accounts, and therefore approximate net realizable value. The Company determines its allowance by considering a number of factors, including the length of time receivables are past due, the Company's previous loss history, the donor's current ability to pay its obligation, and the condition of the general economy and the industry as a whole. Receivables outstanding longer than the payment terms are considered past due. The Company writes off accounts receivables when they become uncollectible, and payments subsequently received on such receivables are recorded as income in the period received.

Investments

Investments, which consist principally of mutual funds and money market funds, are carried at fair market value based on quoted market prices. Investments in hedge funds are carried at fair value based upon their stated net asset value. Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on sales of securities are based on average costs and are recorded in the statements of activities in the period in which the securities are sold. The net change in unrealized appreciation or depreciation that results from market fluctuations is recognized in the period in which the change occurs. Interest and dividends are recognized in the period earned.

Investments are exposed to various risks, such as interest rate, market, economic conditions, world affairs and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changed in their value could occur in the near term and such changes could materially affect the reported amounts in the accompanying consolidated financial statements.

Airtime Licenses

Airtime licenses represent EBS Spectrum licensed to the Company by the federal government and are considered to have indefinite lives. Indefinite lived spectrum licenses acquired are stated at cost and are not amortized. While these spectrum licenses are issued for a fixed time, renewals of these licenses have occurred routinely and at nominal cost. Additionally, management has determined that there are currently no legal, regulatory, contractual, competitive, economic or other factors that limit the useful lives of the EBS Spectrum licenses and therefore, the licenses are accounted for as intangible assets with indefinite lives. The

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

impairment test for intangible assets with indefinite useful lives consists of a comparison of the fair value of an intangible asset with its carrying amount. If the carrying amount of an intangible asset exceeds its fair value, an impairment loss will be recognized in an amount equal to that excess. The fair value is determined by estimating the discounted future cash flows that are directly associated with, and that are expected to arise as a direct result of the use and eventual disposition of, the asset. Spectrum licenses with indefinite useful lives are assessed for impairment annually, or more frequently, if an event indicates that the asset might be impaired.

Airtime License Individual Use Agreement (“IUA”) revenue from granting access to the commercial capacity on the EBS Spectrum under the Company’s IUAs is recognized upon the execution of the respective agreements if the agreements are non-cancelable, the amounts are fixed and non-refundable and the ongoing obligations of HITN are deemed to be perfunctory. This includes up-front consideration as well as amounts due in subsequent periods, which are reflected at their net present value. Contingent consideration under the agreements is recognized in the period earned or received.

Affiliate Distribution Fees

The Company has entered into contracts and receives fees from television cable operators for allowing them to carry the Company’s non-commercial television network in the United States. The Company recognizes revenue when the service is provided to the television cable operators.

Television Production Revenue

The Company receives fees for the production of educational television programming. The Company recognizes revenue when the television production is completed and ready to be delivered.

Long-Lived Assets

The Company reviews long-lived assets for possible impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Some factors the Company considers important, which could trigger an impairment review, include: (i) significant underperformance compared to expected historical or projected future operating results; (ii) significant changes in the Company’s use of the acquired assets or the strategy for its overall business; and (iii) significant negative industry or economic trends.

Fixed Assets, Net

Fixed assets are stated at cost and are depreciated and amortized on the straight-line method over their estimated useful lives. When such assets are retired or otherwise disposed of, the cost and accumulated depreciation and amortization are removed from the accounts and any gain or loss is recognized in revenue.

HITN capitalizes all property and equipment having a cost of \$5,000 or more and a useful life of at least two years. Amortization of leasehold improvements is provided on the straight-line method over the estimated useful life or remaining term of the lease, whichever is shorter.

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

Deferred Revenue

HITN receives monies in advance relating to various grants and services. Prior to providing services, these funds are recorded as deferred revenues within the accompanying consolidated statements of financial position.

Functional Allocation of Expenses

The costs of providing HITN's programs and other, activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited. HITN allocates its indirect costs using direct labor costs as a base.

Income Taxes

HITN follows the accounting guidance for uncertainties in income tax provisions which require that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. HITN does not believe its activities result in any uncertain tax positions. The tax years ended 2013, 2014 and 2015 are still open to audit for both federal and state purposes.

3. INVESTMENTS

Investments, at fair value, are composed of the following at December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>
Money market funds	\$ 1,409,447	\$ 3,270,507
Mutual funds	4,621,540	4,029,850
Fixed income	3,769,803	-
Hedge funds	<u>443,402</u>	<u>562,824</u>
	<u>\$ 10,244,192</u>	<u>\$ 7,863,181</u>

Fair Value Measurements

HITN follows guidance that establishes a framework for measuring fair value. Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The framework also provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted

HISPANIC INFORMATION AND TELECOMMUNICATIONS NETWORK, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

December 31, 2016 and 2015

prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Quoted prices are available in active markets for identical assets or liabilities as of the measurement date.
- Level 2 - Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the measurement date, and fair value is determined through the use of models or other valuation methodologies. Also included in Level 2 are investments measured using a net asset value (“NAV”) per share, or its equivalent, that may be redeemed at that NAV at the statement of financial position date or in the near term, which is generally considered to be 90 days.
- Level 3 - Pricing inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management or estimation. Investments that are included in this category generally include privately held investments and partnership interests. Also included in Level 3 are investments measured using a NAV per share, or its equivalent, that can never be redeemed at NAV at the reporting date or in the near term or for which redemption at NAV is uncertain due to lockup periods or other investment restrictions.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. However, the determination of what constitutes observable requires judgment by the HITN’s management. HITN management considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by multiple independent sources that are actively involved in the relevant market.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to HITN management’s perceived risk of that investment.

	<u>\$ 4,029,850</u>	<u>\$ 106,312</u>	<u>\$ 456,512</u>	<u>\$ 4,592,674</u>

HITN also held money market fund accounts as of December 31, 2016 and 2015 totaling \$1,409,447 and \$3,270,507, respectively, which do not meet the definition of a security under US GAAP and have been excluded from the fair value hierarchy tables above. These money market fund accounts are included within investments in the accompanying consolidated statements of financial position.

The following table summarizes the changes in fair values associated with Level 3 assets as of December 31, 2016 and 2015:

	2016	2015
Balance, beginning of year	\$ 456,512	\$ 476,352

Sales	-	-
Unrealized and realized loss	(13,110)	(30,924)
Balance, end of year	<u>\$ 443,402</u>	<u>\$ 456,512</u>

The Organization used the NAV or its equivalent to determine the fair value of all the underlying investments which (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

Both plans were available to substantially all employees of the Company. Under the current Safe Harbor plan the company will make matching contributions of 100% of the first four percent (4%) and 50% of the next two percent (2%) contributed to the plan by employees. Employees are eligible to participate immediately and employee and employer contributions are 100% vested. During the year ended December 31, 2016, employer contributions totaled \$199,829.

6. DEFERRED COMPENSATION

The Company maintains two deferred compensation plans for key employees under section 457(b) and 457(f) of the Internal Revenue Code. Eligibility to participate in these plans is at the sole discretion of the independent members of the Board of Directors.

457(b) - The Plan is funded solely by employer contributions. The assets of the plan are the legal assets of HITN until they are distributed to participants; and therefore, the plan assets and corresponding liability are reported in the statements of financial position. Plan assets, at fair value, at December 31, 2016 and 2015 totaled \$108,000 and \$54,000, respectively and are classified as Level 1 within the fair value hierarchy. During the year ended December 31, 2016 and 2015, employer contributions totaled \$54,000. No payments were made during the year.

457(f) - The plan was adopted in 2016 by the Board of Directors for the purpose of retaining a select group of key employees and rewarding longevity with the Company. The plan is unfunded and the values of the accounts are subject to risk of forfeiture until their respective vesting dates. The plan participants will acquire a vested interest in their account provided they continue to be employed by the Company. As of December 31, 2016, the Company did not record any expense pertaining to this plan.

7. AGREEMENTS RELATED TO EBS SPECTRUM LICENSES

FCC regulations permit EBS Spectrum license holders such as HITN to permit the use of up to 95% of the capacity (the “excess capacity”) represented by each license to commercial users. HITN is currently a party to various Individual Use Agreements (IUAs) related to its EBS Spectrum as permitted under FCC regulations. The agreements have terms between 10 and 50 years. In 2016, HITN entered into 33 IUAs with 10 year terms for the “excess capacity” of 33 licenses in the United States. As a result of entering into these additional IUAs, HITN recorded \$81,727,929 of revenue for the year ended December 31, 2016, which is recorded within airtime license access revenue on the consolidated statements of activities. In 2015, HITN entered into 9 IUAs with 30 year terms for the “excess capacity” of 9 licenses in Puerto Rico. As a result of entering into these additional IUAs, HITN recorded \$11,309,250 of revenue for the year ended December 31, 2015, which is recorded within airtime license access revenue on the consolidated statements of activities.

HITN reports airtime access receivables expected to be collected over a period of years at their estimated present value using a risk-adjusted rate (ranging from approximately 3% - 5%). At December 31, 2016 and 2015, airtime access receivables were due as follows:

	<u>2016</u>	<u>2015</u>
Within one year	\$ 11,348,129	\$ 3,732,541
1 to 5 years	69,684,903	17,338,603
Thereafter	<u>113,861,092</u>	<u>90,289,806</u>
	194,894,124	111,360,950
Less: discount to present value	<u>(58,214,743)</u>	<u>(48,863,461)</u>
Airtime access receivables, net	<u>\$ 136,679,381</u>	<u>\$ 62,497,489</u>

8. HITN SPECTRUM LLC

HITN Spectrum LLC and the nine limited liability companies (collectively, “Spectrum”) for which it serves as the sole member acquired certain EBS Spectrum licenses between 2006 and 2009. The cost of these acquisitions was financed by a third party spectrum operator and agreements were entered into with the third party spectrum operator for their use of the excess capacity on the related EBS spectrum, thereby relieving Spectrum of all obligations to repay the financed amount. Although HITN is the sole member of HITN Spectrum LLC, its involvement and activities are deemed to be perfunctory with respect to the operations of Spectrum LLC. The assets and liabilities of these entities solely relate to this spectrum, which is primarily used by the third party operator. As such, HITN was not deemed to control these entities; and therefore, neither Spectrum nor any of their associated assets or liabilities are recorded within the accompanying consolidated financial statements.

9. COMMITMENTS AND CONTINGENCIES

HITN leases facilities at Brooklyn Navy Yard, Brooklyn, New York, Washington D.C. and Puerto Rico which will expire at various times through December 2027. Minimum payments under the terms of the lease are:

2017	\$ 231,848
2018	251,428
2019	270,676
2020	290,092
2021	<u>329,700</u>
	<u>\$ 1,373,744</u>

HITN leases various other facilities on a month-to-month basis. Total rent expense was \$343,332 and \$309,890, for years ended December 31, 2016 and 2015, respectively.

HITN may be involved in various legal actions from time to time arising in the normal course of business. In the opinion of management, there are no matters outstanding that would have a material adverse effect on the consolidated financial statements of HITN.

HITN receives funding from government grants, which are subject to audit by various federal and state agencies. The ultimate determination of amounts received under these grants generally is based upon allowable costs reported to and audited by the governments or their designees. Liabilities, if any, arising from such compliance audits cannot be determined at this time. In the opinion of management, adjustments resulting from such audits, if any, will not have a significant effect on the consolidated financial position, changes in net assets or cash flows of HITN

10. SUBSEQUENT EVENTS

The Company evaluated its December 31, 2016 consolidated financial statements for subsequent events through June 22, 2017, the date the consolidated financial statements were available to be issued. The Company is not aware of any material subsequent events which would require recognition or disclosure in the accompanying consolidated financial statements, except as follows:

On February 22, 2017, HITN agreed to an assignment and restructured payment schedule for its long term lease agreement for the “excess capacity” of nine (9) EBS Spectrum licenses it holds in Puerto Rico. The “excess capacity” was originally licensed in 2015. The restructuring of payments resulted in a modification and acceleration of the cash payments on the 30 year leases, however these changes did not have a material impact to the present value or revenue recognized under the leases.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of

Hispanic Information and Telecommunications Network, Inc. and Subsidiaries:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the Hispanic Information and Telecommunications Network, Inc. and Subsidiaries (collectively, the “Company”), which comprise the consolidated statement of financial position as of December 31, 2016, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 22, 2017.

Internal control over financial reporting

In planning and performing our audit of the consolidated financial statements, we considered the Company’s internal control over financial reporting (“internal control”) to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company’s consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Company's internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether the Company's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON
COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE UNIFORM GUIDANCE**

To the Board of Directors of
Hispanic Information and Telecommunications Network, Inc. and Subsidiaries:

Report on compliance for each major federal program

We have audited the compliance of the Hispanic Information and Telecommunications Network, Inc. and Subsidiaries (collectively, the “Company”) with the types of compliance requirements described in the U.S. Office of Management and Budget’s *OMB Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended December 31, 2016. The Company’s major federal program is identified in the summary of auditors’ results section of the accompanying schedule of findings and questioned costs.

Management’s responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to the Company’s federal programs.

Auditor’s responsibility

Our responsibility is to express an opinion on compliance for the Company’s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Company’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Company's compliance.

Opinion on the major federal program

In our opinion, the Company complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2016.

Report on internal control over compliance

Management of the Company is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Company's internal control over compliance with the types of compliance requirements that could have a direct and material effect on its major federal program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Company's internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
